GRANT DEED

The UNITED STATES is a private trust operating as a private membership association incorporated on behalf of the US CITIZENS. The UNITED STATES is involved with multiple human rights violations, engaging in blatant commercial discrimination and trafficking persons while displaying to the public that the trafficked persons are members of the UNITED STATES and obligated to the trustees and the trustees policies, statutes and procedures thereby forming a legal box of entrapment, and

Therefore, under the doctrine of necessity, this grant deed shall serve to correct the following: multiple human rights violations, blatant commercial discrimination, trafficking of persons, perpetual arrest, perpetual detainment and perpetual exile as it pertains to the U.S. CITIZEN, and

The UNITED STATES is in violation of Article 7 and 9 of the Universal Declaration of Human Rights (UDHR). The UNITED STATES through its subsidiaries made an arbitrary arrest of the U.S. CITIZEN upon its creation and is currently detaining the U.S. CITIZEN for an indefinite period of time thereby using this arbitrary arrest and detention against the human being as a perpetual weapon.

Further, the UNITED STATES has blocked any form of access to any court for the life or liberty of the U.S. CITIZEN. The U.S. CITIZEN has been exiled from any form of equality before the law, access to government, any form of un-encumbered political process and thereby causes a perpetual form of torture from the UNITED STATES against the U.S. CITIZEN. The inhumane treatment enforced by the UNITED STATES does not display any form of the characteristics of a human being that is required by human beings entrusted with its welfare in violation of Article 4 and 5 of the UDHR.

Now THEREFORE;

Grant Deed

I, **CAROLYN IRENE RINKENBERGER**, the Grantor, hereby grant the following described property to the Government of The United States of America, the Grantee, thus described herein to wit:

U.S. CITIZEN, CAROLYN IRENE RINKENBERGER, ACCOUNT #: [REDACTED]

The Grantor claims adverse possession rights, religious rights, political rights and any other rights afforded a Human Being to the aforementioned legal description of the property, and the property itself as a cause for this Grant Deed, and

The Grantee is entrusted with preserving the UDHR and hereby accepts and acknowledges the aforesaid legal description of the property and the property itself, to have and to hold without restrictions or conditions, and

Signed on this **104th** day in the year of Yahweh, 6018
