# International Demand

I, John Harold Fulks, being duly elected to the office of Governor for the Government of The United States of America, along with the National assembly hereby fulfilled all of the obligations of the 33 + 3 requirements for full recognition and acknowledgement of existence.

Publication Link: <http://reignoftheheavens.com/?p=1668>.

Due to these events having taken place, it is the duty, honor and privilege of the Powers That Be to publish the existence of the new International Character to the world which is customary in these cases and events.

It has been 13 months and 3 days since the events of the Blood Moon and no such notice has been published by the Powers That Be thereby ignoring the obligations of the conditions of their own existence, foundation, powers, authority and claims.

All Powers That Be are hereby reminded of their obligations of World Notice of the new International Character as published and established at the link above.

The heavens hereby demand that World Notice is published by those recipients of this "International Demand" as a reminder to the Powers That Be of their obligations to their own existence. The heavens hereby demand that this new International Character is given the honor and respect it has received by the heavens to be accepted and acknowledged by the Powers That Be that have enjoyed the benefit of their own existence as established by the heavens. That which is sealed in blood on earth shall be sealed in heaven. That which is done on earth so shall be done in heaven.
