A Declaration of Independence of the Government of The United States of America and the American National Union of The United States of America, and

There comes a time when human beings must embrace the light of freedom over the darkness of oppression. In this time of transition, men and women must put away childish notions of disparaging political ideologies and the phantom of trust of those that continue on their path towards darkness and lead others to that end of eternal damnation, and

Those that continue to wage war against the light of freedom of choice shall meet their end in the afterlife for this life is created for the soul to choose; the light of freedom or the darkness of oppression, and

The New World Order made up of world communists (hereinafter; "NWO") has once again deceived its way to power for the sole purpose of exacting its darkness of oppression against those that it perceives as its enemy of the light of freedom. The NWO itself believes its cause is righteous and therefore everyone must submit to it, and

The NWO believes it is blessed with the light of freedom and believes that freedom emanates from the Devil and will prevail in its war with heaven itself. However, the NWO has been blinded by the darkness of oppression and has been enforcing its creed of darkness upon all other nations, States and countries by usurping control over their internal and external affairs thereby creating super powers of destruction, and

The NWO has assumed a position of the throne of Yahweh over the inhabitants in and of the world in the year nineteen hundred and forty one through its Atlantic Charter after becoming drunk with blood and power over the collective victory of World War I and II, and

The NWO plan started before the revolutionary war of seventeen hundred and seventy six as imparted by General Cornwallis to The United States of America and the Continental Congress thereof, and

The NWO decreed that America would unknowingly serve its cause without the knowledge of the servants. This act by the NWO is well known as trafficking and man stealing in all of its forms in violation of all thirty Articles of the Universal Declaration of Human Rights and the Law of Nations, and

The NWO also known as the Crown and many other entities is responsible for all of the blood it has spent in multiple wars thereby implementing starvation, multiple human rights violations, multiple violations of the Law of Nations, multiple violations of the Law of War, multiple violations of the Geneva Convention and many millions of people that live abroad that have been unknowingly trafficked under its rule thereby causing liability upon the souls of men, and

The NWO and the Netherlands has crossed the line of royal decency in the name of its religious mission and through its Corporations. The ideology of peace that emanates from the NWO is submission to it, not the light of freedom of choice that emanates from Heaven and therefore the Government of The United States of America must act to remove these chains of oppression, and

Therefore, it is hereby published a Declaration of Independence from the NWO in all of its forms, citing all of its crimes against humanity and declare the NWO the enemy of humanity for its crimes against humanity; for it has condemned itself by making a deal with the devil and has spread those lies and deceit as a vehicle for hell itself to cause strife and contention among the nations and States to achieve nothing more than a false peace, and

The Government of The United States of America itself has never knowingly joined the aforementioned NWO; however the NWO delves into the most heinous of international crimes wherein it assumes meeting of the minds where it does not exist; it assumes loyalty to its cause without publishing its claim to the Throne of David while using those people known as Israeli's as cannon fodder; it assumes ownership and changes the status of others without permission or consent; it trespasses without remorse; it assumes power of attorney when it cannot rule itself; it charges without authority, it convicts in its star chambers and assumes its own international immunity from recourse; it secretly supplants its agents in other countries wherein those agents claim allegiance to a secret master and create strife and contention against its people as a diversion from the truth; it reduces Governments to mere corporate citizens and steals from the people of those States while claiming rights under International Law to get away with the booty; it slanders those people under threat of murder to hide its crimes and in most cases carries out those murders to hide evidence and remove witnesses; it threatens nuclear retaliation against countries that attempt to handle its own affairs; it builds tunnels under countries as a presence of eminent threat for the purpose of control; it murders professors, inventors, scientists as political dissidents if they tell the truth; it funds both sides of every conflict and walks away without punishment, guilt or remorse all the while presenting itself as the Champion of peace; it condemns slavery publicly only to recreate it under a different classification beyond its borders; it hijacks private prayer and assumes itself through coveting and jealousy as a part of all spiritual relationships thereby creating itself into an idol in violation of the first commandment; and

In more detail of the aforementioned paragraph by sequence of events:

1: The NWO through the 1600/1700's, 'conquest' was the acknowledged way to expand an empire, and the Spanish, Dutch, and British built great Navies to do so, however, such military-based oppression became too obvious for proving the intent of willful oppression, so the British created the "United States" as a "corporation" which would help bring "freedom" to countries around the world throughout the 20th century, all the while using the facade of freedom to bring them under a debt-based globalist banking system, and

2: The NWO staged the Revolution of seventeen hundred of seventy six in which it played both sides against each other and thereby placed both sides into its debt, and

3: The NWO created a fraudulent Treaty of Peace in the year seventeen hundred and eighty three with an entity of its own creation and further created its own Private Central Bank in conjunction with the Netherlands on Manhattan Island, and

4: The NWO forced a Constitution of its own creation providing the private Masonic Order corporate rule over the established country known as "The United States of America" the true Federal Republic, and

5: The NWO created a war of eighteen hundred and twelve which destroyed many original records of the people of the States of the Union thereby implementing the introduction of its foreign American BAR Association and Lawyers Guild operating under the International Bar Association in the city of London to rule a people that were not aware of its presence within, and

6: The NWO forced bankruptcies by international bankers claiming a debt that never existed against its own international entities wherein foreigners were trafficked and held as surety for its debt and enslaving said victims for their lifetime, and

7: The NWO created private international agreements under its private international law that included but not limited to the Atlantic Charter of nineteen hundred and forty one, and trafficked persons into the use of private Trusts (Internal Revenue) to facilitate human trafficking under the guise of Social Security, forced payment of taxes to allegedly fund the 'corporation' when those funds are really a 'tribute' payment to the Crown and the Vatican, and

8: The NWO has used its corporation as the alleged beacon of freedom, and the US Dollar aka Petrodollar, and the US military to financially enslave billions worldwide, and

9: The NWO is nothing more than a compact of self proclaimed Royalty and international bankers from around the world that play chess with countries as a game with real life consequences wherein it is spoken from the Most High Yahweh that life on this planet is not a game, and

The NWO shall never be allowed to file one more charge against anyone from outside of borders through anyone, nor trafficked in persons within its delusions for they have spent their righteousness into oblivion, for they must repent for their crimes against humanity for the rest of their days by confessing their sins to their victims and accepting whatever punishment that the Heavens bring upon them in order that their souls receive salvation and eternal life through Yahushua, and

We, the people, also known as the American Nationals for The United States of America and the Government of The United States of America only pray to Yahweh in Yahushua's name that the NWO is bound by the laws of Yahweh as fulfilled by Yahushua, and restrain their overzealous love for the deceptions of the Devil to a condition of obedience rather than eager to please zealots ready to prove their allegiance at the expense of the innocent; for their acts of Stratocracy are to cause harm to the Innocent, preventing equity of redemption on any level. It is known and established that the Law of Nature is superior in obligation to any other. It is binding in all countries and at all times. No "human" laws are valid if opposed to this, and ALL which are binding derive their authority either directly or indirectly from it, and

The Government of The United States of America and the American National Union of The United States of America hereby declares Independence from the NWO, its world government or any illusion of association in all of its forms on this the fifth day in the year of Yahweh six thousand and twenty two and the two thousand and twentieth year of the new covenant in Yahushua's name, and

So declared and published by the Government of The United States of America and the American National Union of The United States of America on this 5th day in the year of Yahweh, six thousand and twenty two, and the two thousand and twentieth year of the new covenant in Yahushua's name,

American Nationals for the Government of The United States of America.
