# Standard Operating Procedures Manual

## Introduction - Section 010

### §010.01 Introduction

- A. This **Standard Operating Procedures Manual** [hereinafter, “SOPM”] has been developed by the **committee of the National assembly** [hereinafter, “committee”] in order to familiarize employees with **General Post Office Division 3** [hereinafter, “GPOD3”], and to provide information about working conditions, key policies, and procedures affecting GPOD3;
- B. The SOPM is organized in multiple sections. These sections cover items such as basic GPOD3 employee duties and responsibilities, memorandums, and procedures among other items;

## Mission Statement - Section 020

### §020.01 Mission

- A. It is our mission to serve the account holders of GPOD3 in an efficient and timely manner. We will always work to exhibit professionalism, thoroughness, compassion and courtesy when performing any duty.

## Purpose for this SOPM - Section 030

### §030.01 Purpose

- A. This SOPM is to supply you with information necessary to function efficiently while operating as a GPOD3 employee. It is important to note that there is no manual or information available that will compensate for negligence, carelessness, lack of sincere effort, dishonesty, or disregard for established regulations;
- B. The SOPM outlines procedures to be followed in a variety of situations. It is obviously impossible to develop procedures for every situation that might arise. Therefore, in situations not covered by specific instructions, decisions made and actions taken must be governed by common sense and judgment on the part of the GPOD3 employee;
- C. The need for standardization cannot be overemphasized. Standard Operating Procedures save time, reduce confusion, eliminate errors and will assist GPOD3 employees with providing a timely and predictable response to their duties and responsibilities;
- D. This SOPM is written to serve as a Standard Operating Procedure Manual for all GPOD3 employees. It will describe responsibilities while employed with GPOD3. The integrity of all GPOD3 employees and GPOD3 services delivered must be impeccable;
- E. A GPOD3 employee should always remain cognizant of the liability at stake concerning decisions made or performed **during their tenure with GPOD3**, as well as the possible liability at stake concerning decisions made or performed **during time outside of work**;
- F. An employee's actions whether it be media written or recorded, conversations held, information or advice given, or actions taken, are all libelous;

- G. Through proper training and understanding of this manual, GPOD3 employee's liability will be reduced;
- H. This manual will stimulate the consistent and correct performance of all GPOD3 employees.

## Procedures, Definitions, and Media Contacts - Section 040

### §040.01 Procedures and Definitions

- A. A Directive or a Written Directive are tools used to communicate policy and procedural issues and may be known as or delivered through a Written Policy or Standard Operating Procedures Manual and / or a Memoranda;
- B. The Standard Operating Procedures Manual will be reviewed and updated at least one time per year and may be updated as the committee deems needed;
- C. No new procedures will be enacted until changes are posted for all employees;
- D. Below are the definitions for Policy/ Standard Operating Procedures and Memoranda and procedures for how and examples of why each may be enacted;

#### 1. Definitions:

- a) **Policy/ Standard Operating Procedures:** *These are written directives from the committee in final form.*
- b) **Memoranda:** *These are a temporary written directive/s by the committee and they provide a self-canceling or temporary override or addition to a current Policy or Standard Operating Procedure. They are normally used to supplement and improve Policy / Standard Operating Procedures / Directives for the benefit of GPOD3. These will be reviewed and revised annually and folded into the Policy / Standard Operating Procedures Manual. Memoranda may also be utilized internally for matters not related to policy or procedure.*

### §040.02 Media Contacts

If you are contacted by a reporter or representative of any TV, radio, newspaper, or magazine reporters, or by other media reps, you shall direct him or her to the [Secretary of State for The United States of America](#).

### §070.02 Jurisdiction

- A. GPOD3 shall be exclusively subject to the jurisdiction and courts of the Government of The United States of America within the sphere of the reign of the heavens.

**committee of Financial Services**

the committee - Section 080

### §080.01 Purpose

- A. The committee, under the authority of the National assembly of affirmed American Nationals for the Government of The United States of America; is charged with the general direction and control of GPOD3 while convened.
- B. The decision to serve as a committee member is a commitment to GPOD3 and GPOD3 account holders, and part of this commitment includes a responsibility to understand the financial statements, risks and controls of GPOD3 so as to properly exercise authority over GPOD3's direction. Accordingly, to be an effective committee member, a General Post Master must have a certain base level of financial skills, consistent with the size and complexity of GPOD3.

- C. One of the key measures of GPOD3's success is found in its financial statements. As such, a committee member must understand these financial statements to participate in a meaningful manner in the direction and control of the institution. Each committee member shall have at least a working familiarity with GPOD3's basic finance and accounting practices, including the ability to read and understand GPOD3's balance sheet and income statement and the ability to ask, as appropriate, substantive questions of management and auditors. To ensure that a committee member obtains this level of financial literacy, GPOD3 provides periodic training and makes other resources available to volunteer officials, as outlined in this policy.

#### §080.02 Attendance

- A. Committee members cannot fulfill their responsibilities if they do not attend committee meetings on a regular basis.
- B. Each committee member must devote sufficient time and effort to remain informed and aware of issues affecting GPOD3.

#### §080.03 Compliance

- A. The committee must maintain the integrity of GPOD3 by ensuring compliance with applicable laws and regulations. New or amended legal and regulatory requirements must be understood and properly implemented.
- B. Counsel from the National assembly should be sought when necessary to ensure that committee members and management have an appropriate understanding of legal and regulatory requirements.

#### §080.04 Continuity

- A. The committee must ensure GPOD3 remains in sound financial and operational condition over time.
- B. Preserving GPOD3 as viable Financial Services requires proper committee oversight in crucial areas such as strategic planning, capital accumulation, asset quality, liquidity, funds and risk management, and management development and succession.
- C. Hiring and retaining competent management for GPOD3 is one of the committee's most important duties.
- D. Appropriate performance standards must be developed for GPOD3's office holders.
- E. GPOD3's office holder's performance should be formally and objectively reviewed against these standards at least annually. The committee must be willing to take appropriate actions, up to and including recommendation for removal, when managers lack the competence or integrity to operate GPOD3 in a safe and sound manner;

#### §080.05 Examinations and Audits

The committee is responsible for reviewing all reports of examination and audits performed by outside sources and implementing any changes which are necessary to correct the deficiencies contained therein.

#### §080.06 Integrity

- A. The committee must maintain the highest standards of personal conduct.
- B. The committee must demonstrate integrity, dedication, and cooperation. Maintaining the confidentiality of GPOD3 business and account holder information is essential.

### §080.07 Internal Control

The committee must establish procedures for conducting audits whether it is by committee or by an outside third party auditor.

### §080.08 Leadership

- A. The committee members use good judgment and work for the best interest of the account holders of GPOD3.
- B. The committee's responsibility is to ensure that adequate policies, procedures, management, and planning are in place; the committee should not be led or simply monitor results after the fact.
- C. Care should be taken, however, not to assume responsibility for conducting GPOD3's daily operations. Conversely, management should not usurp the committee members' role.
- D. The committee SHOULD DIRECT, and management SHOULD MANAGE.

### §080.9 Management Information System

- A. The committee is responsible for establishing a system whereby GPOD3's affairs are presented to them in a manner which will allow reasonable comprehension of the information presented and which presents fairly GPOD3's activities.

### §080.10 Policy

- A. Establishing sound policies is one of the committee's more important functions.
- B. Policies should clearly and concisely state intentions, limitations, and controls that will dictate a specific course of action.
- C. Policies should be comprehensive, reduced to writing, approved by the committee, and reviewed and revised or reaffirmed at least annually.
- D. The committee should also make certain that its policies are fully understood and being adhered to by those who are subject to such policies.

### §080.11 Records of Actions and Resolutions

- A. It is the responsibility of the committee to insure that adequate minutes and other records of committee actions, and resolutions including pertinent discussions, dissenting opinions, etc. be maintained.

### §080.12 Self Evaluation

- A. This committee Policy will be reviewed on a regular basis.
- B. Each committee member should objectively analyze its performance and compliance with the committee members Policy at least annually.

### §080.13 Education

- A. Education is crucial to being an effective committee member.
- B. GPOD3 operates in a dynamic, highly regulated environment, and the need for informed, competent committee members has never been greater.

- C. Extensive education resources are available for GPOD3 committee members.
- D. Ongoing education is essential to ensure that committee members understand and appropriately control the risks inherent in operating GPOD3.

#### §080.14 Minimum Educational Requirements

- A. At a minimum, every committee member should be able to examine GPOD3's balance sheet, income statement and be able to understand what each line item means and why it is important to the vitality of GPOD3.
- B. The committee members should understand if the line item changes what does that change mean to the health of GPOD3.
- C. A committee member shall understand the specific activities in which GPOD3 engages, including not only how these activities generate revenue for GPOD3 but also the various risks associated with these activities that could lead to financial loss.

#### §080.15 Timetable for Acquiring Financial Skills

- A. At the committee meeting immediately following GPOD3's annual meeting and appointment of GPOD3 office holders each year, the financial literacy of newly appointed committee members will be assessed and a training plan will be developed to ensure that the 6-month timeline is met.
- B. Periodic training is a requirement; GPOD3 is strongly committed to the financial literacy of our committee members.
- C. Periodic training on financial statements is provided and attendance is encouraged for all committee members.

#### §080.16 Resources for Acquiring Financial Skills

- A. In order to achieve regulatory requirements, GPOD3 will provide on-going training opportunities and funding for committee members to acquire the skills needed to evaluate GPOD3's finances and risks.
- B. The committee members will be given training and educational opportunities in order to understand the complexities and risks of current programs, services, products and delivery channels offered by GPOD3 as well as new programs, service, products and delivery channels when introduced.
- C. The committee members are provided but not limited to the following educational opportunities:
  1. Internal GPOD3 training;
  2. External GPOD3 training, provided by the regulatory body, colleges/universities; this training may take the form of a conference, seminar, webinar, teleconference, or other means.
