WHEREAS, The Respondents are in default having failed to respond and address the claims set forth by the Claimant within the published International True Bill of Indictment [LINK](#) in any form on the 168th Day in the Year of Yahweh 6023, translation date September 3rd, 2021. The Respondents are in dishonor and therefore are in omission to the war crimes presentment of the Claimant, and

WHEREAS, the Tribunal has examined all evidence and deliberated the elements of the case brought forth by the Claimant with fairness in non-arbitrary sentencing. The War Crimes Tribunal for The United States of America has the legal obligation to ensure that the most severe

crimes of concern to The United States of America and the International community do not go unpunished and are not in conflict with the Law of Nations, and

WHEREAS, the Tribunal agrees that the evidence presented is sufficient to find the Respondents guilty of war crimes in violation of the informed, voluntary consent principle inherent within Article 1 of the Nuremberg Code whereby, the Respondents are enforcing corporate policies through executive orders under military occupation to mandate experimental medical procedures upon all Veteran Affairs medical employees and military personal [LINK](#), and

*Nuremberg Code -The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision. The latter element requires that before the acceptance of an affirmative decision by the experimental subject there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person which may possibly come from his participation in the experiment.*

WHEREAS, the Tribunal finds that the Respondents ordered the use of patented biological weapon systems, falsely classified as vaccines, depriving Veterans Affairs medical employees and military personal, the right of choice to consent to voluntary medical experimentation, in addition to the promotion of public policy that coerces the inhabitants and civilian populace into forced compliance with the injected bio-weapon system, eliminating the right of choice by restricting their fundamental human rights, now classified as Public Laws-101, and

WHEREAS, it has been established through International Public Notice [LINK](#) that the polymerase chain reaction or PCR tests, by inventor Kary Mullis, used to determine whether a person has symptoms of COVID-19 were meant for analysis only, and by amplifying the cycles of the PCR, the PCR results are rendered meaningless, and

WHEREAS, almost any molecule can be detected if the PCR test is amplified high enough; any possible molecules that one is looking for, may be detected in a person, and

WHEREAS, a PCR test conducted on a person that has never contracted the HIV virus will still show positive for HIV by means of the analytic PCR test when the test is amplified. Kary Mullis, the PCR test inventor and Nobel prize winner, further explains the lack of knowledge by those in

WHEREAS, the Tribunal finds the Respondents to be an instrument of a dictatorial order enforcing communism, which deprives inhabitants of advancement and enjoyment of society and imposes tyranny wherein human rights are not honored or enforced for the inhabitants, and

WHEREAS, the Tribunal finds the Respondents guilty of committing war crimes, and acts of terrorism, therefore violating all Public Laws-101, wherein the Respondents discriminated against unvaccinated civilians and children, by creating fear and disarray among the population through communist propaganda, that caused the closing of thousands of family businesses, thereby depriving civilians the right to life, liberty, of acquiring, possessing, and protecting property and reputation; and of pursuing their own happiness, and

WHEREAS, the Respondents are ordering the patented bio- weapon be injected, with pre-meditated intent to do harm, and are fully aware of the injury and deaths caused by the injected nano-particle operating system maliciously classified as a vaccine for purposes of delivering the weapon system into the inhabitants and civilian population for depopulation, and the Tribunal finds the Respondents guilty of committing genocide as part of the globalist communist Agenda 21 and 30, a New World Order consisting of a one world government and pre-meditated and well-constructed global depopulation agenda carved in stone on the Georgia Guidestones that serves as the Respondents' communist social compact [LINK](#), and

WHEREAS, the Tribunal finds the United States Corporation to be criminal organization, that has established a private legal society through the American Bar Association, granting themselves separate privileges, using foreign emoluments, through foreign political subdivisions of the Crown Corporation, aka city of London, aka City of London Corporation, masquerading as a national Government in violation of the Law of Nations without a social compact and therefore lacks the authority to govern on behalf of the inhabitants, and

*The Law of Nations Chapter 13 Book 1 Statute §158 A nation ought to make justice reign. Next to the care of religion, one of the principal duties of a nation relates to justice. They ought to employ their utmost attention in causing it to prevail in the state, and to take proper measures for having it dispensed to everyone in the most certain, the speediest, and the least burthensome manner. This obligation flows from the object proposed by uniting in civil society, and from the social compact itself. We have seen (§15) that men have bound themselves by the engagements of society, and consented to divest themselves, in its favor, of a part of their natural liberty, only with a view of peaceably enjoying what belongs to them and obtaining justice with certainty. The nation would therefore neglect her duty to herself, and deceive the individuals, if she did not seriously endeavor to make the strictest justice prevail. This attention she owes to her own happiness, repose, and prosperity. Confusion, disorder, and despondency will soon arise in a state, when the citizens are not sure*

*of easily and speedily obtaining justice in all their disputes: without this, the civil virtues will become extinguished, and the society weakened*

WHEREAS, the Tribunal finds The United States corporation in violation of Article 1 of the Nuremberg Code and
