United States of America vs **Respondents:** Stephane Bancel,  
Albert Bourla, Alex Gorsky, Janet Woodcock, Stephen Hahn, Alex Michael Azar II  
and Xavier Becerra*

Case # WCT-20210820-000005

**JUDGMENT**

Comes now, a Judgement and Order from the **War Crimes Tribunal for The United States of America.**

WHEREAS, the Claimant has claimed within the evidence submitted to the Tribunal through a published International True Bill of Indictment and presentment of facts, that the Respondents committed war crimes by violating Article 1 of the Nuremberg Code, and violations of all 30 Articles of Public Laws-101, and

WHEREAS, The Respondents are in default having failed to respond and address the claims set forth by the Claimant within the published International True Bill of Indictment [LINK](#) in any form on the 182nd Day in the Year of Yahweh 6023, translation date September 17, 2021. The Respondents are in dishonor and therefore are in omission to the war crimes presentment of the Claimant, and

WHEREAS, the Tribunal has examined all evidence and deliberated the elements of the case brought forth by the Claimant with fairness in non-arbitrary sentencing. The War Crimes Tribunal for The United States of America has the legal obligation to ensure that the most severe crimes of concern to

The United States of America and the International community do not go unpunished and are not in conflict with the Law of Nations, and

WHEREAS, the Tribunal agrees that no underlying emergency exists, as the SARS CoV-2 has an overall survivability rate of 99.7% globally, [LINK](#) and has a survivability rate comparable with the common flu [LINK](#) , and

WHEREAS, it has been established through International Public Notice [LINK](#) that the polymerase chain reaction or PCR tests, by inventor Kary Mullis, used to determine whether a person has symptoms of COVID-19, were meant for analysis only, were never designed to detect a virus, and by amplifying the cycles of the PCR, the PCR results are rendered meaningless, and

WHEREAS, no war has been declared by the political society that constitutes the political authority of the Nation in social compact agreement amongst the American Nationals and Declared Residents within the States of the Union of The United States of America, [LINK](#) and therefore no legally or lawfully declared war of any type exists within the Nation, rendering any war declaration proclaimed into existence by any inhabitant an illegal act in violation of the *Law of Nations*, and

WHEREAS, the Tribunal finds that all named Respondents are actively participating in a war against civilian inhabitants, as declared into existence by Donald J. Trump [LINK](#) on March 19, 2020 saying, "The fight to slow the spread of COVID-19 is "our big war," Trump said Thursday. "It's a medical war. We have to win this war. It's very important." wherein there is no legal obligation to declare or engage in an unprovoked war of aggression upon any civilian inhabitant population, and is a violation of the *Law of Nations Book III CHAPTER I: Of War,—its different Kinds,— and the Right of making War §3. Right of making war.*

*In treating of the right to security (Book II. Chap. IV.) we have shewn that nature gives men a right to employ force, when it is necessary for their defence, and for the preservation of their rights. This principle is generally acknowledged: reason demonstrates it; and nature herself has [470] engraved it on the heart of man. Some fanatics indeed, taking in a literal sense the moderation recommended in the gospel, have adopted the strange fancy of suffering themselves to be massacred or plundered, rather than oppose force to violence. But we need not fear that this error will make any great progress. The generality of mankind will, of themselves, guard against its contagion,—happy, if they as well knew how to keep within the just bounds which nature has set to a right that is granted only through necessity! To mark those just bounds,—and, by the rules of justice, equity, and humanity, to moderate the exercise of that harsh though too often necessary right,—is the intention of this third book.*

WHEREAS, the Tribunal agrees that all named Respondents are engaged in the manufacturing, distribution, and wholesale use of experimental biologically active mRNA vaccines, that are designed for genetic manipulation, and to initiate an immune response, but in doing so, these S1 sub unit proteins become a target for destruction by the immune system, fusing to long-lived human proteins, wherein these spike proteins can lead to a number of health problems, including but not limited to neurological damage, autoimmune disease, and to vascular conditions such as blood clotting according to the findings published in *Circulation Research* by the Salk Institute for Biological Studies researchers in collaboration with the University of San Diego, [LINK](#) , and

WHEREAS, the Tribunal agrees that all named Respondents are openly and notoriously committing murder with malice aforethought, having participated in a scheme to mandate experimental mRNA vaccines in violation of the informed consent principle required for medical experimentation established as International Law within of Article 1 of the Nuremburg Code, that have, as of July 9<sup>th</sup>, 2021, resulted in the death of at least 9,048 civilians, who have died within 3 days of inoculation, as reported in VAERS, and is determined to be a number that is under-reported by a conservative factor of at least 5 [LINK](#), and

*Nuremberg Code 1. The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision. The latter element requires that before the acceptance of an affirmative decision by the experimental subject there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person which may possibly come from his participation in the experiment.*

WHEREAS, the Tribunal finds the Respondents to be an instrument of a tyrannical dictatorial order enforcing medical tyranny for the purposes of committing genocide against the inhabitants and civilian populace in collusion with the U.S. Congress [LINK](#), under the illegal world communist government social compact displayed on the Georgia Guidestones [LINK](#), and

WHEREAS, the Tribunal hereby classifies all named Respondents as war criminals employed by criminal organizations that are using patented biological weapon systems, falsely classified as vaccines, against the civilian inhabitant populace in a well-orchestrated scheme that promotes malicious public policy and coerces the inhabitants and civilian populace into forced compliance with the injected bio-weapon system, eliminating the right of choice by annihilating their human rights, and

WHEREAS, the Tribunal agrees that the Food and Drug Administration (FDA), Department of Health and Human Services (DHHS), and the Center for Disease Control and Prevention (CDC), operating under the Department of Health and Human Services, [LINK](#) are operating outside of their scope of existence, wherein the aforementioned agencies are without legal obligations to govern as a State as a person of International Law, committing nefarious acts that rise to the level of capital crimes against society, having claimed the legal obligations of a State, [LINK](#) and are in violation of Article 1 of the Montevideo Convention, wherein it states:

*“The state as a person of international law should possess the following qualifications: (a) a permanent population; (b) a defined territory; (c) government; and (d) capacity to enter into relations with the other states.”*

WHEREAS, the Tribunal finds the Respondents guilty of committing acts of terrorism, therefore violating all 30 Articles of Public Laws-101, for discriminating and for creating fear and disarray among the population through communist propaganda, that caused the closing of thousands of family

businesses, thereby depriving civilian inhabitants the right to life, liberty, of acquiring, possessing, and protecting property and reputation; and of pursuing their own happiness, and
