people, under the direction of the fallen, in accordance with the communist One World government social compact agreement written in stone at the Georgia Guidestones [LINK](#) , and

***Article 1 Nuremberg Code** - The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision. The latter element requires that before the acceptance of an affirmative decision by the experimental subject there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person which may possibly come from his participation in the experiment.*

WHEREAS, the evidence presented conveys that both Respondents erroneously believe that the civilian inhabitant populace fall under the classification of subjects of medical experimentation, and are advocating on behalf of terrorist organizations, such as the CDC, assuming the right to claim medical power of attorney over families, thereby infringing upon the aforementioned populace's intangible property rights, to determine what is best for their health and wellbeing, by violating basic human rights through forced association and denying the right to private property, and

WHEREAS, the Respondents' endorsement, of the gene therapy, a medical experiment disguised as a solution to a perceived pandemic, fails to meet the standard codified as International Law in Article 2 of the Nuremberg Code, as it is detrimental to society, and

***Article 2 Nuremberg Code** - The experiment should be such as to yield fruitful results for the good of society, unprocurable by other methods or means of study, and not random and unnecessary in nature.*

WHEREAS, the Respondent Don Lemon is engaged in manipulative religious and political dialectic to deceive and coerce the populace as part of an ongoing covert psychological warfare operation. The Respondent is using known Marxist communist ideological subversion tactics [LINK](#) to demoralize and destabilize society through manufactured crisis, thereby changing the perception of reality to the desired new normal, being a totalitarian globalist communist takeover of the secular American society in violation of all Thirty (30) Articles of Public Laws-101, [LINK](#), and

WHEREAS, the Tribunal agrees that Respondent Don Lemon's use [LINK](#) of a public broadcasting platform to incite discrimination against the populace, oppressing the unvaccinated, violates the dignity and rights of others, subjecting others to cruel, inhumane, and degrading treatment, in violation of Public Law-101-1, Public Law-101-3, Public Law-101-5, and Public Law-101-7 [LINK](#), and

WHEREAS, the Tribunal agrees that Respondent Rochelle Paula Walensky employed by the CDC, a criminal terrorist organization, operating in violation of Article 31 of the Bilateral Social Compact Agreement of the political authority [LINK](#), is engaged in covert deceptive practices to coerce the civilian inhabitant populace to comply with a medical experiment disguised as a vaccine, containing lipid nanoparticles and cell lines from human fetal tissue [LINK](#) in violation of the Nuremberg Code and all Thirty (30) Articles of Public Laws-101, and

WHEREAS, the Tribunal agrees that both Respondents are communist agents and an instrument of a dictatorial order, enforcing the communist depopulation Agenda 21 and Agenda 30, thereby joined in the act of genocide and the annihilation of the civilian inhabitants' human rights. These war crimes are being
