WHEREAS, The Respondent is in default having failed to respond and address the claims set forth by the Claimant within the published International True Bill of Indictment [LINK](#) in any form on the 210th Day in the Year of Yahweh 6023, translation date October 15th, 2021. The Respondent is in dishonor, and therefore are in omission to the war crimes presentment of the Claimant, and

WHEREAS, the Tribunal has examined all evidence and deliberated the elements of the case brought forth by the Claimant with fairness in non-arbitrary sentencing. The War Crimes Tribunal for The United States of America has the legal obligation to ensure that the most severe crimes of concern to The United States of America and the International community do not go unpunished and are not in conflict with the Law of Nations, and

WHEREAS, the Tribunal finds the evidence presented conveys that the Respondent erroneously believes that the civilian inhabitant populace fall under the classification of subjects of medical experimentation, and advocating on behalf of declared terrorist organizations, such as the Federal Drug Administration (FDA), Center for Disease Control and Prevention (CDC), assumes the right to claim medical power of attorney over families, thereby infringing upon the aforementioned populace's intangible property rights, to determine what is best for their health and wellbeing, by violating basic human rights through forced association and denying the right to private property, and

WHEREAS, the Tribunal agrees and finds the Respondent, in her private and public capacity as President of American Federation of Teachers, to be liable and in violation of the Nuremberg code by declaring the implementation of Gene Therapy "operating systems" under the guise of mandatory vaccinations with inoculations classified as experimental vaccinations by the National Institutes of Health, and

WHEREAS, the Tribunal agrees and finds the Respondent is abusing her position of power and influence, coercing teachers and schools to illegally take medical power of attorney over the civilian inhabitants' and offspring by implementing mandatory medical experimentation with no authority to do so in violation of the informed consent principle established within Article 1 of the Nuremberg Code (War Crime), and

Article 1 Nuremberg Code - The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision. The latter element requires that before the acceptance of an affirmative decision by the experimental subject there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person which may possibly come from his participation in the experiment.

WHEREAS, the Tribunal agrees and finds the Respondent's endorsement, of the gene therapy under the guise of a vaccine to be a medical experiment disguised as a solution to a perceived pandemic, fails to meet the standard codified as International Law in Article 2 of the Nuremberg Code, as it is detrimental to society, and

Article 2 Nuremberg Code - The experiment should be such as to yield fruitful results for the good of society, unprocurable by other methods or means of study, and not random and unnecessary in nature.

WHEREAS, the Tribunal agrees and finds Respondent guilty of violating Article 1 of the Nuremberg Code (War Crime) for publicly promoting the experimental Gene Therapy "operating system" a medical experiment disguised as a vaccination, and

WHEREAS, the Tribunal agrees and finds the Respondent to be a communist agent and an instrument of a dictatorial order, enforcing the communist depopulation Agenda 21 and Agenda 30, thereby joined in the act of genocide and the annihilation of the civilian inhabitants' human rights. These war crimes are being perpetrated to complete the One World Government's totalitarian takeover, carved in stone, and on display on the Georgia Guide stones, [LINK](#), and

WHEREAS, the Tribunal agrees and finds the Respondent guilty of acts of terrorism by aiding and abetting the communist depopulation agenda, therefore violating all Thirty (30) Articles of Public Laws-101, for discriminating and for creating fear and disarray among the population through communist propaganda for the purpose of depriving the civilian inhabitant populace of basic human rights including private property rights, and

WHEREAS, the Tribunal, in previous Judgment and Orders, classified the United States Corporation to be a criminal organization [LINK](#), that has established a private legal society through the American Bar Association, granting themselves separate privileges, using foreign emoluments, through foreign political subdivisions of the Crown Corporation masquerading as nation State in violation of the *Law of Nations* without a social compact and therefore lacks the authority to govern on behalf of the inhabitants, and

The Law of Nations Chapter 13 Book 1 Statute §158 A nation ought to make justice reign. Next to the care of religion, one of the principal duties of a nation relates to justice. They ought to employ their utmost attention in causing it to prevail in the state, and to take proper measures for having it dispensed to everyone in the most certain, the speediest, and the least burthensome manner. This obligation flows from the object proposed by uniting in civil society, and from the social compact itself. We have seen (§15) that men have bound themselves by the engagements of society, and consented to divest themselves, in its favor, of a part of their natural liberty, only with a view of peaceably enjoying what belongs to them and obtaining justice with certainty. The nation would therefore neglect her duty to herself, and deceive the individuals, if she did not seriously

endeavor to make the strictest justice prevail. This attention she owes to her own happiness, repose, and prosperity. Confusion, disorder, and despondency will soon arise in a state, when the citizens are not sure of easily and speedily obtaining justice in all their disputes: without this, the civil virtues will become extinguished, and the society weakened.

WHEREAS, the Tribunal agrees and finds the American Federation of Teachers (AFT) associating with the American Federation of Labor and Congress of Industrial Organizations (AFL-CIO), working with the United States Corporation, local, State, and Federal agencies, is hereby associating with a war criminal and shall cease association with said war criminal within Ninety (90) days or be classified as terrorist organizations for aiding and abetting the globalist communist depopulation agenda subject to the Forced Deportation Act of 2021, and
