operates outside of their scope of existence as an association, wherein the aforementioned association nefariously attempts, through appointed figureheads, to govern as a State of a person of International Law, committing acts that rise to the level of capital crimes against the American society, having claimed the legal obligations of a State, [LINK](#) in violation of Article 1 of the Montevideo Convention, wherein it states:

*“The state as a person of international law should possess the following qualifications: (a) a permanent population; (b) a defined territory; (c) government; and (d) capacity to enter into relations with the other states.”*, and

WHEREAS, the Tribunal agrees and finds the A.B.A., its members, and representative bodies, which have hijacked the legal obligations of a State without a Social Compact agreement in violation of the *Law of Nations*, have infiltrated public institutions, appointing themselves as slave masters over the civilian Inhabitant populace through communist doctrine and are now actively advocating for the lawfulness to inject experimental biological weapon systems defined as Gene Therapy [LINK](#) into the civilian inhabitant populace, under the guise of a vaccine, and

WHEREAS, the evidence presented to the Tribunal conveys that the Respondent believes that the civilian inhabitant populace fall under the classification of subjects of medical experimentation, and is advocating on behalf of terrorist organizations [LINK](#), such as the Food and Drug Administration and the Center for Disease Control and Prevention, to claim medical power of attorney over families, thereby infringing upon the aforementioned populace’s intangible property rights, to determine what is best for their health and well being through forced association and denying the right to private property, and

The latter element requires that before the acceptance of an affirmative decision by the experimental subject there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person which may possibly come from his participation in the experiment.*

WHEREAS, the Respondent is engaged in manipulative religious and political dialectic to deceive and coerce the civilian populace as part of an ongoing covert psychological warfare operation, the Respondent is using known Marxist communist ideological subversion tactics [LINK](#) to destabilize society through manufactured crisis, thereby changing the perception of reality to the desired new normal, being a totalitarian globalist communist takeover of the secular society in violation of all Thirty (30) Articles of Public Laws-101, [LINK](#), and

WHEREAS, the Tribunal agrees and finds the Respondent guilty of supporting acts of terrorism, therefore violating all Thirty (30) Articles of Public Laws-101, for discriminating and for creating fear and disarray among the population through communist propaganda for the purpose of depriving the civilian inhabitant populace of private property rights, and

WHEREAS, the Tribunal agrees and finds the Respondent to be a communist agent and an instrument of a dictatorial order, enforcing the communist depopulation Agenda 21 and Agenda 30, thereby joined in

the act of genocide and the annihilation of the civilian inhabitants' human rights. These war crimes are being perpetrated to complete the One World Government's totalitarian takeover, carved in stone, and on display on the Georgia Guide stones, [LINK](#), and
