WHEREAS, the Tribunal agrees that the evidence published in the True Bill of Indictment in the American Herald Newspaper [LINK](#) presented is sufficient to find the Respondents guilty of war crimes inherent within the principles established within Article 1 of the Nuremberg Code, and

Nuremberg Code -The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision. The latter element requires that before the acceptance of an affirmative decision by the experimental subject there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person which may possibly come from his participation in the experiment.

WHEREAS, the Tribunal agrees and finds that the Respondent has actively participated in a conspiracy to create fear among the civilian inhabitant populace using the well-known communist tactics of demoralizing [LINK](#) and manipulating civilians into accepting a totalitarian regime absent a social compact, that claims medical power of attorney over its population, through the guise of a state of emergency issued by the Secretary of Health and Human Services, to force mandatory inoculations of experimental vaccines, now reclassified as 'lethal bio-weapons' [LINK](#), by pumping communist propaganda through the mainstream media platform gained by use of a public office and therefore the Respondent assumes all liability in the Respondent's personal capacity in violation of all 30 Articles of Public Laws-101, and

WHEREAS, the Tribunal previously classified and finds the United States Corporation to be a criminal organization, that has established a private legal society through its political subdivision's American BAR associations that are operating in the violation of the *Law of Nations* Book I, "Of Nations considered of themselves," Chapter III, "Of the Constitution of a State, and the Duties and Rights of the Nation in this respect," § 30, "Of the support of the constitution and obedience to the laws," committing capital crimes by granting themselves separate privileges, using foreign emoluments, through foreign political subdivisions, masquerading as a national Government in violation of the Law of Nations without a social compact, and

WHEREAS, the Respondent has ordered all public employees and the civilian inhabitant populace of the alleged State of Washington into forced compliance with the experimental injected medical gene therapy lethal bio-weapon, eliminating the right of choice to consent to medical experimentation in violation of the Nuremberg code by restricting their fundamental human rights, found in the Universal Declaration of Human Rights, now classified as Public Laws-101, and

WHEREAS, the Tribunal agrees and finds the Respondent Jay Robert Inslee and family guilty of committing war crimes for colluding with medical executive personnel classified as International Terrorists, [LINK](#), forcing mandatory experimental, gene therapy inoculations, hereinafter, 'lethal bio-weapon'(s) as vaccinations upon the civilian inhabitant populace in addition to employees working for the political subdivision of the alleged State of Washington in violation of the informed consent principal within Article 1 of the Nuremberg Code, and

WHEREAS, the Tribunal agrees and finds that the Respondent's actions in aiding and abetting the world communist agenda under the Georgia Guidestone [LINK](#) compact is an act of international terrorism and a capital crime against society, and against the body politic of the political authority in social compact agreement established as first among equals in a state of nature in accordance with the *Law of Nations* as defined in International Law under Book I, Chapter XIII, "Of Justice and Polity," §158, 'A nation ought to make justice reign;' and

The Law of Nations Book I Chapter XIII Statute §158 A nation ought to make justice reign: Next to the care of religion, one of the principal duties of a nation relates to justice. They ought to employ their utmost attention in causing it to prevail in the state, and to take proper measures for having it dispensed to everyone in the most certain, the speediest, and the least burthensome manner. This obligation flows from the object proposed by uniting in civil society, and from the social compact itself. We have seen (§15) that men have bound themselves by the engagements of society, and consented to divest themselves, in its favor, of a part of their natural liberty, only with a view of peaceably enjoying what belongs to them and obtaining justice with certainty. The nation would therefore neglect her duty to herself, and deceive the individuals, if she did not seriously endeavor to make the strictest justice prevail. This attention she owes to her own happiness, repose, and prosperity. Confusion, disorder, and despondency will soon arise in a state, when the citizens are not sure of easily and speedily obtaining justice in all their disputes: without this, the civil virtues will become extinguished, and the society weakened.

WHEREAS, the Tribunal finds the Respondent to be an instrument of a dictatorial order that is undertaking active measures to normalize communist rule [LINK](#) in the alleged State of Washington, which destroys free enterprise and deprives the civilian inhabitant populace of advancement and enjoyment of society and imposes tyranny, wherein human rights are not honored or enforced for the inhabitants, and

WHEREAS this Tribunal, in consideration of all matters set forth by the Claimant, finds the Respondent herein named guilty of violating all 30 Articles of Public Laws-101 and gives witness to the existence of war crimes against the Nuremburg Code. The Tribunal further agrees that the evidence conveys that the Respondent had malicious intent to strongarm the public through ideological subversion into giving-up their tangible and intangible property rights to determine what is best for their health and wellbeing, and
