WHEREAS, The Respondents are in default having failed to respond and address the claims set forth by the Claimant within the published International True Bill of Indictment [LINK](#) in any form on the 272nd Day in the Year of Yahweh 6023, translation date December 16th, 2021. The Respondents are in dishonor, and therefore are in omission to the war crimes presentment of the Claimant, and

WHEREAS, the Tribunal has examined all evidence and deliberated the elements of the case brought forth by the Claimant with fairness in non-arbitrary sentencing. The War Crimes Tribunal for The United States of America has the legal obligation to ensure that the most severe crimes of concern to The United States of America and the International community do not go unpunished and are not in conflict with the *Law of Nations*, and

WHEREAS, the Tribunal finds the evidence presented conveys that the Respondents erroneously believe that the civilian inhabitant populace fall under the classification of subjects of medical experimentation, and advocating on behalf of declared terrorist/satanic organizations such as the FDA and CDC [LINK](#) and [LINK](#), Respondents assume the obligation and right to claim medical power of attorney over families, thereby infringing upon said populace's intangible rights to intangible property with the intention of determining what is best for the health and well-being of said populace, thereby violating basic human rights through forced association and denying the obligation and right to private property, and

WHEREAS, the Tribunal agrees and finds the Respondents guilty of infiltrating the original State of New York to illegally subvert, demoralize and influence by coercion, deceit and infiltration using utopian religious standards to illegally take medical power of attorney over the civilian inhabitant populace by implementing mandatory medical experimentation, namely a lethal bioweapon [LINK](#), with no authority to do so, in violation of the informed consent principle established within Article 1 of the Nuremberg Code [LINK](#), and

Article 1 Nuremberg Code - The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision. The latter element requires that before the acceptance of an affirmative decision by the experimental subject there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person which may possibly come from his participation in the experiment.

WHEREAS, the Tribunal agrees and finds the Respondents to be communist agents and instruments of a dictatorial order, enforcing the communist depopulation Agenda 21 and Agenda 30, thereby joined in the act of genocide and the annihilation of the civilian inhabitant populace's human rights. These war crimes are being perpetrated to complete the One World Government's totalitarian takeover, carved in stone, and on display on the Georgia Guide stones [LINK](#), and

WHEREAS, the Tribunal agrees and finds the Respondents guilty of acts of terrorism by aiding and abetting the communist depopulation agenda, [LINK](#), therefore violating all Thirty (30) Articles of Public Laws-101, for discriminating and for creating fear and disarray among the population through communist propaganda for the purpose of depriving the civilian inhabitant populace of basic human rights including private property rights, and

WHEREAS, the Tribunal agrees to find the Respondent guilty of committing war crimes wherein the Respondent advocates for the eradication of intangible property rights to determine what is best for an individual's health and well-being thereby warranting the crime of slave holding for depriving the civilian inhabitant populace of the right of self-determination under a contrived war effort, in violation of the Law of Nations and all Thirty (30) Articles of Public Laws-101, and

WHEREAS, the Tribunal classifies and finds the political subdivision of the State of New York's BAR Association leaders, T. Andrew Brown, Sherry Levin Wallach, Taa R. Grays, Domenick Napoletano, Scott M. Karson, and the Department of Health's Commissioner Howard A. Zucker to be criminal organizations, that established a private legal society through the American Bar Association, granting themselves separate privileges [LINK](#), using foreign emoluments, through foreign political subdivisions of the Crown Corporation masquerading as a nation State in violation of the Law of Nations without a social compact and therefore lacks authority to govern on behalf of the inhabitants, and

WHEREAS, the State of New York's BAR Association members are thereby complicit with aiding and abetting aforementioned violations as members of a classified criminal terrorist organization, and

WHEREAS, the Tribunal agrees and finds the Respondent Kathleen Courtney Hochul, acting Governor of the alleged State of New York being absent a written and published social compact agreement does not have the Legal obligation to serve as Governor thereby committing a capital crime in violation of the *Law of Nations*, Book I, "Of Nations considered in themselves," Chapter XIII, "Of Justice and Polity," §158 "A nation ought to make justice reign;" wherein it states;

Next to the care of religion, one of the principal duties of a nation relates to justice. They ought to employ their utmost attention in causing it to prevail in the state, and to take proper measures for having it dispensed to everyone in the most certain, the speediest, and the least burthensome manner. This obligation flows from the object proposed by uniting in civil society, and from the social compact itself. We have seen (§15) that men have bound themselves by the engagements of society, and consented to divest themselves, in its favor, of a part of their natural liberty, only with a view of peaceably enjoying what belongs to them and obtaining justice with certainty. The nation would therefore neglect her duty to herself, and deceive the individuals, if she did not seriously endeavor to make the strictest justice prevail. This attention she owes to her own happiness, repose, and prosperity. Confusion, disorder, and despondency will soon arise in a state, when the citizens are not sure of easily and speedily obtaining justice in all their disputes: without this, the civil virtues will become extinguished, and the society weakened.

WHEREAS, the Tribunal agrees the Respondent, Kathleen Courtney Hochul acting as Governor for the corporate subdivision of New York, has granted themselves separate privileges and benefits for members of the corporate subdivision of New York having hijacked the State constitution [LINK](#) by creating a private legal society using foreign emoluments as a foreign corporate subdivision of the United States of America [LINK](#) masquerading as a nation State in violation of the *Law of Nations*, Book 1 "Of Nations considered in themselves," Chapter III, "Of the Constitution of a State, and the Duties and Rights of a Nation in that respect", § 30, "Support of the constitution, and obedience to the law;" wherein it states;

The constitution and laws of a state are the basis of the public tranquillity, the firmest support of political authority, and a security for the liberty of the citizens. But this constitution is a vain; phantom, and the best laws are useless, if they be not religiously observed: the nation ought then to watch very attentively, in order to render them equally respected by those who govern, and by the people destined to obey. To attack the constitution of the state, and to violate its laws, is a capital crime against society; and if those guilty of

it are invested with authority, they add to this crime a perfidious abuse of the power with which they are intrusted. The nation ought constantly to repress them with its utmost vigour and vigilance, as the importance of the case requires. It is very uncommon to see the laws and constitution of a state openly and boldly opposed: it is against silent and gradual attacks that a nation ought to be particularly on its guard.

WHEREAS, the Respondent Kathleen Courtney Hochul demonstrated a perfidious abuse of power to coerce and subvert religious choice; "Those who are vaccinated are the "smart ones," [Hochul] said, and... "you know there's people out there who aren't listening to God and what God wants. You know who they are" [LINK](#), directly violating *Law of Nations*, Book 1, Chapter 12, "Of Piety and Religion", §131, "When There is an Established Religion"; "[Religion] solely belongs to the society, the state, the entire nation, to determine the necessity or propriety of those changes; and no private individual has a right to attempt them by his own authority, nor consequently to preach to the people a new doctrine" further "to remember that no earthly power has authority over the consciences of men;," and
