A classification of Public Laws-101 Published in the American Herald as an International Public Notice can be found here: [LINK](#)

WHEREAS, Respondents are in default having failed to respond and address the claims set forth by the Claimant within the published International True Bill of Indictment in any form on the 286th Day in the Year of Yahweh 6023, translation date December 30, 2021. The Respondents are in dishonor and therefore are in omission to the war crimes presentment of the Claimant, and

WHEREAS, the Tribunal has examined all evidence and deliberated the elements of the case brought forth by the Claimant with fairness in non-arbitrary sentencing. The War Crimes Tribunal for The United States of America has the legal obligation to ensure that the most severe crimes of concern to The United States of America and the International community do not go unpunished and are not in conflict with the *Law of Nations*, and

WHEREAS, the Tribunal agrees that the evidence published in the True Bill of Indictment in the American Herald Newspaper [LINK](#) presented is sufficient to find the Respondents guilty of war crimes inherent within the principles established within Article 1 of the Nuremberg Code;

Nuremberg Code -The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision. The latter element requires that before the acceptance of an affirmative decision by the experimental subject there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person which may possibly come from his participation in the experiment, and

WHEREAS, the Tribunal agrees that all named Respondents are openly and notoriously committing murder with malice aforethought, having participated in a scheme to mandate experimental vaccines in violation of the informed consent principle [LINK](#) required for medical experimentation established as International Law within Article 1 of the Nuremberg Code, that have, as of July 9th, 2021, resulted in the death of at least 9,048 civilians, within 3 days of inoculation, as reported in VAERS, and is determined to be a number that is under-reported by a conservative factor of at least 5 [LINK](#), with updated VAERS Global Totals reported on run date of 2/22/22 totaled 23,990 deaths with an undefined amount of time passing after inoculation, and

WHEREAS, the Tribunal finds the Respondents to be instrumental in implementing Operation Warp Speed, where various pseudo-governmental agencies previously classified as terrorist organizations [LINK](#), and [LINK](#), are now arms dealers, complicit and fully engaged in the distribution and administration of an experimental synthetic gene therapy under the guise of an alleged vaccine, hereinafter "lethal bio-weapon" [LINK](#), and

WHEREAS, the Tribunal finds that all named Respondents are actively participating in a war against civilian inhabitants, as declared into existence by Donald J. Trump [LINK](#) on March 19, 2020 saying, “The fight to slow the spread of COVID-19 is “our big war,” Trump said Thursday. “It’s a medical war. We have to win this war. It’s very important.” wherein there is no legal obligation to declare or engage in an unprovoked war of aggression upon any civilian inhabitant population, and capital offense in violation of the *Law of Nations* Book III, “Of War”, Chapter I, “Of War,—its different Kinds,— and the Right of making War.” §3., “Right of making war,” wherein it states;

In treating of the right to security (Book II. Chap. IV.) we have shewn that nature gives men a right to employ force, when it is necessary for their defence, and for the preservation of their rights. This principle is generally acknowledged: reason demonstrates it; and nature herself has [470] engraved it on the heart of man. Some fanatics indeed, taking in a literal sense the moderation recommended in the gospel, have adopted the strange fancy of suffering themselves to be massacred or plundered, rather than oppose force to violence. But we need not fear that this error will make any great progress. The generality of mankind will, of themselves, guard against its contagion,—happy, if they as well knew how to keep within the just bounds which nature has set to a right that is granted only through necessity! To mark those just bounds,—and, by the rules of justice, equity, and humanity, to moderate the exercise of that harsh though too often necessary right,—is the intention of this third book, and

WHEREAS, the Tribunal agrees to find the Respondents guilty of disseminating war propaganda to promote a war effort, against an invisible enemy [LINK](#), illegally declared by inhabitant Donald J. Trump on March 19, 2020 [LINK](#), thereby committing an act of International Terrorism against the civilian inhabitant populace and against the permanent population of The United States of America, bound together in Social Compact Agreement as first among equals in a state of nature, and

WHEREAS, the Tribunal agrees that no underlying emergency exists, as the SARS CoV-2 has an overall survivability rate of 99.7% globally, [LINK](#) and has a survivability rate comparable with the common flu [LINK](#), and

WHEREAS, it has been established through International Public Notice [LINK](#) that the polymerase chain reaction or PCR tests, by inventor Kary Mullis, used to determine whether a person has symptoms of COVID-19 were meant for analysis only, and by amplifying the cycles of the PCR, the PCR results are rendered meaningless, and

WHEREAS, the Tribunal finds the evidence presented conveys that the Respondents erroneously believe the civilian inhabitant populace fall under the classification of subjects of medical experimentation, and

WHEREAS, the Tribunal agrees that the Respondents have colluded with internationally declared terrorist/satanic organizations such as the FDA and CDC [LINK](#) and [LINK](#) wherein the Respondents have erroneously claimed the obligation for the right to claim medical power of attorney over families, thereby

infringing upon said populaces' intangible rights to intangible property with the intention of determining what is best for the health and well-being of said populace, committing capital offenses in violation of Articles 14 & 34 of a foreign Bi-Lateral Social Compact Agreement written by and between the permanent population of DECLARED RESIDENTS and affirmed American Nationals within the metes and bounds and seaward boundaries of The United States of America [LINK](#) through forced association and denying the right to private property, and

WHEREAS, the Tribunal agrees and finds the Respondents guilty of performing the communist tactic of infiltrating with the intent to subvert, demoralize, coerce and deceive the civilian inhabitant populace using utopian religious standards to illegally, unlawfully exercise medical power of attorney by implementing mandatory medical experimentation, namely a lethal bioweapon [LINK](#), with no authority to do so, in violation of the informed consent principle established within Article 1 of the Nuremberg Code [LINK](#), and

WHEREAS, Respondents use guidelines to influence public perception as an act of patient steering; [LINK](#), [LINK](#), seeking "to persuade [patients/the public] to accept vaccination;" violating Public Law 101-18;" and

WHEREAS, the Tribunal finds the Respondents guilty of pain compliance classified as torture under customary international law, a violation of all Public Laws-101, and

WHEREAS, Respondents use language swaps to intentionally deceive the public by statistically worsening the alleged pandemic with lies to "mitigate perceived partisanship" as outlined in the AMA Covid-19 Guide, p. 9, which states; "Instead of...Hospitalization Rates, Say...Deaths;" further naming "Operation Warp Speed" as "Standard Process;" [LINK](#), and

WHEREAS, the Respondents are ordering the lethal bio-weapon be injected, with pre-meditated intent to do harm, and are fully aware of the injury and deaths caused by the injected nano-particle operating system maliciously classified as a vaccine for purposes of delivering the weapon system into the civilian inhabitant populace for depopulation, and the Tribunal finds the Respondents guilty of committing genocide as part of the globalist communist Agenda 21 and 30, a New World Order consisting of a one world government and pre-meditated and well-constructed global depopulation agenda carved in stone on the Georgia Guidestones that serves as the Respondents' communist social compact [LINK](#), and

WHEREAS, the Tribunal agrees to find the Respondents guilty of committing war crimes wherein the Respondents advocate for the eradication of intangible property rights to determine what is best for an individual's health and well-being thereby warranting the crime of slave holding for depriving the civilian inhabitant populace of the right of self-determination under a contrived war effort, in violation of the *Law of Nations* and all Thirty (30) Articles of Public Laws-101, and

WHEREAS, the Tribunal finds the Respondents have unequivocally demonstrated the Respondents' philosophical, social, political and economic ideology known as Communism, outlawed in The United States of America. The Respondents are guilty of Communism, a violation of the Universal Declaration of Human Rights classified as Public Law within the States of the Union within The United States of America. The Respondents are in violation of all Public Laws-101, and

WHEREAS, the Tribunal finds and agrees that the American Medical Association and its affiliates are criminal organizations employing war criminals and are operating outside of their scope of existence, wherein the aforementioned agencies are without a Social Compact by and between the inhabitants or permanent population of a State and without legal obligations to govern as a State or persons of International Law, committing nefarious acts that rise to the level of capital crimes against society, having claimed the legal obligations of a State [LINK](#), and

WHEREAS, the Tribunal finds the Respondents to be instruments of a tyrannical dictatorial order enforcing medical tyranny for the purposes of committing genocide against the civilian inhabitant populace in collusion with the U.S. Congress [LINK](#), under the illegal world communist government social compact displayed on the Georgia Guidestones [LINK](#), and

WHEREAS, the Claimant's motion is hereby granted to declare the Respondents as enemies engaged in satanic practices in association with the United Nations and the World Health Organization, and Respondents shall be exiled from the metes and bounds and seaward boundaries of The United States of America, and
