WHEREAS, Respondents are in default having failed to respond and address the claims set forth by the Claimant within the published International True Bill of Indictment in any form on the 286th Day in the Year of Yahweh 6023, translation date December 30, 2021. The Respondents are in dishonor and therefore are in omission to the war crimes presentment of the Claimant, and

WHEREAS, the Tribunal has examined all evidence and deliberated the elements of the case brought forth by the Claimant with fairness in non-arbitrary sentencing. The War Crimes Tribunal for The United States of America has the legal, lawful obligation to ensure that the most severe crimes of concern to The United States of America and the International community do not go unpunished and are not in conflict with the *Law of Nations*, and

WHEREAS, the Tribunal agrees and finds the Respondents, acting as government agents of the alleged State of Illinois, being absent a written and published social compact agreement, and therefore without a population in accordance with Article I of the Montevideo Convention, do not have the legal or lawful obligation to serve as government agents, thereby committing a capital crime in violation of the *Law of Nations*, Book I, "Of Nations considered in themselves," Chapter XIII, "Of Justice and Polity," §158 "A nation ought to make justice reign;" wherein it states;

Next to the care of religion, one of the princi'pal duties of a nation relates to justice. They ought to employ their utmost attention in causing it to prevail in the state, and to take proper measures for having it dispensed to everyone in the most certain, the speediest, and the least burthensome manner. This obligation flows from the object proposed by uniting in civil society, and from the social compact itself. We have seen (§15) that men have bound themselves by the engagements of society, and consented to divest themselves, in its favor, of a part of their natural liberty, only with a view of peaceably enjoying what belongs to them and obtaining justice with certainty. The nation would therefore neglect her duty to herself, and deceive the individuals, if she did not seriously endeavor to make the strictest justice prevail. This attention she owes to her own happiness, repose, and prosperity. Confusion, disorder, and despondency will soon arise in a state, when the citizens are not sure of easily and speedily obtaining justice in all their disputes: without this, the civil virtues will become extinguished, and the society weakened, and

WHEREAS, the Tribunal agrees the Respondents, Lori Elaine Lightfoot, Jay Robert Pritzker, and Mary Allison Arwady, acting as government agents for the corporate subdivision of Illinois, have granted themselves separate privileges and benefits for members of the corporate subdivision of Illinois having hijacked the State constitution [LINK](#) by creating a private legal society, using foreign emoluments as a foreign corporate subdivision of the United States of America [LINK](#), masquerading as a nation State, and taking oaths to the political subdivision within the State of Illinois [LINK](#), all in violation of the *Law of Nations*, Book I, "Of Nations considered in themselves," Chapter III, "Of the Constitution of a State, and the Duties and Rights of a Nation in that respect", § 30, "Support of the constitution, and obedience to the law;" wherein it states,

The constitution and laws of a state are the basis of the public tranquillity, the firmest support of political authority, and a security for the liberty of the citizens. But this constitution is a vain; phantom, and the

best laws are useless, if they be not religiously observed: the nation ought then to watch very attentively, in order to render them equally respected by those who govern, and by the people destined to obey. To attack the constitution of the state, and to violate its laws, is a capital crime against society; and if those guilty of it are invested with authority, they add to this crime a perfidious abuse of the power with which they are intrusted. The nation ought constantly to repress them with its utmost vigour and vigilance, as the importance of the case requires. It is very uncommon to see the laws and constitution of a state openly and boldly opposed: it is against silent and gradual attacks that a nation ought to be particularly on its guard, and

WHEREAS, the Tribunal finds the American BAR association and Supreme Court of Illinois to be criminal organizations, that have established a private legal society granting themselves separate privileges, using foreign emoluments, through foreign political subdivisions of the Crown Corporation masquerading as nation States in violation of the *Law of Nations* without a social compact and therefore lacks the authority to administer justice on behalf of the inhabitants, and

WHEREAS, the Tribunal agrees and finds the Respondents guilty of infiltrating the original State of Illinois to illegally subvert, demoralize, deceive and influence by coercion, using utopian religious standards, to take medical power of attorney over the civilian inhabitant populace by implementing mandatory medical experimentation, namely a lethal bioweapon [LINK](#), with no authority to do so, violating the informed consent principle established within Article 1 of the Nuremberg Code;

Article 1 Nuremberg Code - The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision. The latter element requires that before the acceptance of an affirmative decision by the experimental subject there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person which may possibly come from his participation in the experiment, and

WHEREAS, the Tribunal finds the evidence presented conveys that the Respondents erroneously believe the civilian inhabitant populace fall under the classification of subjects of medical experimentation. Advocating on behalf of declared terrorist/satanic organizations such as the FDA and CDC [LINK](#) and [LINK](#), Respondents assume the obligation and right to claim medical power of attorney over families, thereby infringing upon said populace's intangible rights to intangible property with the intention of determining what is best for the health and well-being of said populace, violating basic human rights through forced association and denying the obligation and right to private property, and

WHEREAS, it has been established through International Public Notice [LINK](#) that the polymerase chain reaction or PCR tests, by inventor Kary Mullis, used to determine whether a person has symptoms of COVID-19 were meant for analysis only, and by amplifying the cycles of the PCR, the PCR results are rendered meaningless, and

WHEREAS, almost any molecule can be detected if the PCR test is amplified high enough; any possible molecules that one is looking for, may be detected in a person, and

WHEREAS, a PCR test conducted on a person that has never contracted the HIV virus will still show positive for HIV by means of the analytic PCR test when the test is amplified. Kary Mullis, the PCR test inventor and Nobel prize winner, further explains the lack of knowledge by those in charge of pushing the pandemic and inoculations of an experimental gene therapy explains that the PCR tests do not tell whether a person is sick [LINK](#), and

WHEREAS, the Respondents have ordered all public employees [LINK](#), inhabitants, and civilian populace of Illinois [LINK](#) into forced compliance [LINK](#) with the injected experimental medical gene therapy, eliminating the right of choice to consent to medical experimentation and restricting fundamental human rights, an act of Persecution for forfeiture of employment of those who decide not to be experimented upon, therefore creating civil unrest by depriving the aforementioned civilian inhabitants the right to life, liberty and security of persons, and

WHEREAS, the Tribunal agrees that all named Respondents are engaged in the manufacturing, distribution, and wholesale use of experimental biologically active mRNA vaccines designed for genetic manipulation and to initiate an immune response, but in doing so, these S1 sub unit proteins become a target for destruction by the immune system, fusing to long-lived human proteins, wherein spike proteins can lead to a number of health problems, including but not limited to neurological damage, autoimmune disease, and to vascular conditions such as blood clotting according to the findings published in Circulation Research by the Salk Institute for Biological Studies researchers in collaboration with the University of San Diego, [LINK](#), and

WHEREAS, the Tribunal agrees that all named Respondents are openly and notoriously committing murder with malice aforethought, having participated in a scheme to mandate mRNA vaccines that have resulted in the death of at least 9,048 civilians within 3 days of inoculation, as reported in VAERS through July 9th, 2021, and is determined to be a number that is under-reported by a conservative factor of at least 5 [LINK](#), recent global VAERS data reports 23,990 deaths as reported on 2/22/22, violating the informed consent principle required for medical experimentation established as International Law within Article 1 of the Nuremberg Code, and

WHEREAS, the Tribunal agrees to find the Respondents guilty of committing war crimes wherein the Respondents advocate for the eradication of intangible property rights to determine what is best for an individual's health and well-being thereby warranting the crime of slave holding for depriving the

civilian inhabitant populace of the right of self-determination under a contrived war effort, in violation of the *Law of Nations* and all Thirty (30) Articles of Public Laws-101, and

WHEREAS, the Tribunal agrees and finds the Respondents guilty of acts of terrorism by aiding and abetting the communist depopulation agenda, [LINK](#), therefore violating all Thirty (30) Articles of Public Laws-101, for discriminating and participating in a conspiracy to create fear and disarray among the population through communist propaganda for the purpose of depriving the civilian inhabitant populace of basic human rights including private property rights, and

WHEREAS, the Tribunal finds the Respondents to be instruments of a tyrannical dictatorial order that is undertaking active measures to normalize communist rule [LINK](#) and [LINK](#) in the City of Chicago, which destroys free enterprise and deprives inhabitants of advancement and enjoyment of society, and imposes tyranny, wherein human rights are not honored or enforced for the inhabitants, and

WHEREAS, the Tribunal agrees and finds the Respondents to be communist agents, enforcing the communist depopulation Agenda 21 and Agenda 30, thereby joined in the act of genocide and the annihilation of the civilian inhabitant populaces' human rights. These war crimes are being perpetrated to complete the One World Government's totalitarian takeover, carved in stone, and on display on the Georgia Guide stones [LINK](#), and

WHEREAS, the Tribunal finds the Respondents to be enforcing medical tyranny for the purposes of committing genocide against the civilian inhabitant populace in collusion with the U.S. Congress [LINK](#), under the illegal world communist government social compact displayed on the Georgia Guidestones [LINK](#), and

WHEREAS, the Tribunal agrees that no underlying emergency exists, as the SARS CoV-2 has an overall survivability rate of 99.7% globally, [LINK](#) and has a survivability rate comparable with the common flu [LINK](#), and

WHEREAS, the Tribunal finds that all named Respondents are actively participating in a war against civilian inhabitants, as declared into existence by Donald J. Trump [LINK](#) on March 19, 2020 saying, "The fight to slow the spread of COVID-19 is "our big war," Trump said Thursday. "It's a medical war. We have to win this war. It's very important." wherein there is no legal obligation to declare or engage in an unprovoked war of aggression upon any civilian inhabitant population and is a violation of the *Law of Nations* Book III CHAPTER I: "Of War,—its different Kinds,— and the Right of making War", §3. "Right of making war".

In treating of the right to security (Book II. Chap. IV.) we have shewn that nature gives men a right to employ force, when it is necessary for their defence, and for the preservation of their rights. This principle is generally acknowledged: reason demonstrates it; and nature herself has [470] engraved it on the heart of man. Some fanatics indeed, taking in a literal sense the moderation recommended in the gospel, have adopted the strange fancy of suffering themselves to be massacred or plundered, rather than oppose force to

violence. But we need not fear that this error will make any great progress. The generality of mankind will, of themselves, guard against its contagion,—happy, if they as well knew how to keep within the just bounds which nature has set to a right that is granted only through necessity! To mark those just bounds,—and, by the rules of justice, equity, and humanity, to moderate the exercise of that harsh though too often necessary right,—is the intention of this third book, and

WHEREAS, the Tribunal has previously ruled that the Food and Drug Administration (FDA), Department of Health and Human Services (DHHS), and the Center for Disease Control and Prevention (CDC), operating under the Department of Health and Human Services, [LINK](#) are criminal organizations employing war criminals and are operating outside of their scope of existence, wherein the aforementioned agencies are without a Social Compact by and between the inhabitants or permanent population of a State and without legal obligations to govern as a State as a person of International Law, committing nefarious acts that rise to the level of capital crimes against society, having claimed the legal obligations of a State, [LINK](#), and

WHEREAS, the Tribunal finds the Respondents have unequivocally demonstrated the Respondents' philosophical, social, political, and economic ideology known as Communism outlawed in The United States of America. The Respondents are guilty of Communism, a violation of the Universal Declaration of Human Rights classified as Public Law within the States of the Union within The United States of America. The Respondents are in violation of all Thirty (30) Public Laws-101, and

WHEREAS, the Tribunal finds the Respondents guilty of pain compliance, classified as torture, a violation of all Public Laws-101, and
