A classification of Public Laws-101 Published in the American Herald as an International Public Notice can be found here: [LINK](#)

WHEREAS, Respondents are in default having failed to respond and address the claims set forth by the Claimant within the published International True Bill of Indictment in any form on the 356th Day in the Year of Yahweh 6023, translation date March 10, 2022. The Respondents are in default and dishonor, and therefore are in omission to the war crimes presentment of the Claimant, and

WHEREAS, the Tribunal has examined all evidence and deliberated the elements of the case brought forth by the Claimant with fairness in non-arbitrary sentencing. The War Crimes Tribunal for The United States of America has the legal obligation to ensure that the most severe crimes of concern to The United States of America and the International community do not go unpunished and are not in conflict with the *Law of Nations*, and

WHEREAS, the Tribunal agrees and finds the Respondents Todd Hood, John Little, James Roman, Christopher Thorpe, Michael J. Misiaszek, Helen Acker, John Becker, T. Andrew Brown, Mike Essig, Richard J. Kessler, Todd A. Rouse, and Jay S. Jacobs, acting as government agents of the alleged State of New York being absent a written and published social compact agreement do not have the Legal obligation to serve as government agents, thereby committing a capital crime in violation of the *Law of Nations*, Book I, "Of Nations considered in themselves," Chapter XIII, "Of Justice and Polity," §158 "A nation ought to make justice reign;" wherein it states;

Next to the care of religion, one of the principal duties of a nation relates to justice. They ought to employ their utmost attention in causing it to prevail in the state, and to take proper measures for having it dispensed to everyone in the most certain, the speediest, and the least burthensome manner. This obligation flows from the object proposed by uniting in civil society, and from the social compact itself. We have seen (§15) that men have bound themselves by the engagements of society, and consented to divest themselves, in its favor, of a part of their natural liberty, only with a view of peaceably enjoying what belongs to them and obtaining justice with certainty. The nation would therefore neglect her duty to herself, and deceive the individuals, if she did not seriously endeavor to make the strictest justice prevail. This attention she owes to her own happiness, repose, and prosperity. Confusion, disorder, and despondency will soon arise in a state, when the citizens are not sure of easily and speedily obtaining justice in all their disputes: without this, the civil virtues will become extinguished, and the society weakened, and

WHEREAS, Respondents have established a pattern of kidnapping, imprisonment, and enslavement of a foreign military agent, violating all Thirty (30) Articles of Public Laws-101, and

WHEREAS, the Tribunal finds the Respondents have unlawfully detained a foreign declared resident, committing theft of time and energy in violation of Public Law 101-12 and Public Law 101-20-2, and

WHEREAS, the Tribunal agrees the Respondents, Todd Hood, John Little, James Roman, Christopher Thorpe, Michael J. Misiaszek, Helen Acker, John Becker, T. Andrew Brown, Mike Essig, Richard J. Kessler, Todd A. Rouse, and Jay S. Jacobs, acting as government agents for the corporate subdivision of New York, have granted themselves separate privileges and benefits for members of the corporate and political subdivision of New York having hijacked the State constitution [LINK](#) by creating a private legal society using foreign emoluments as a foreign corporate subdivision of the United States of America [LINK](#) masquerading as a nation State in violation of the *Law of Nations*, Book 1 “Of Nations considered in themselves,” Chapter III, “Of the Constitution of a State, and the Duties and Rights of a Nation in that respect”, § 30, “Support of the constitution, and obedience to the law;” wherein it states;

The constitution and laws of a state are the basis of the public tranquillity, the firmest support of political authority, and a security for the liberty of the citizens. But this constitution is a vain; phantom, and the best laws are useless, if they be not religiously observed: the nation ought then to watch very attentively, in order to render them equally respected by those who govern, and by the people destined to obey. To attack the constitution of the state, and to violate its laws, is a capital crime against society; and if those guilty of it are invested with authority, they add to this crime a perfidious abuse of the power with which they are intrusted. The nation ought constantly to repress them with its utmost vigour and vigilance, as the importance of the case requires. It is very uncommon to see the laws and constitution of a state openly and boldly opposed: it is against silent and gradual attacks that a nation ought to be particularly on its guard, and

WHEREAS, the Tribunal previously classified and found the political subdivision of the State of New York’s BAR Association leaders to be criminal organizations, that established a private legal society through the American Bar Association, granting themselves separate privileges [LINK](#), using foreign emoluments, through foreign corporate and political subdivisions of the Crown Corporation masquerading as a nation State in violation of the Law of Nations without a social compact and therefore lacks authority to govern on behalf of the inhabitants, and

WHEREAS, the alleged State of New York’s BAR Association and The Madison County Bar Association, DOS ID # **920694**, members are thereby complicit with aiding and abetting aforementioned violations as members of a classified criminal terrorist organization, and

WHEREAS, the Tribunal finds the Respondents to be instruments of a dictatorial order enforcing communism, which deprives inhabitants of advancement and enjoyment of society and imposes tyranny wherein human rights are not honored or enforced for the inhabitants, and

WHEREAS, Respondents have maliciously caused distress, disruption, and intimidation, to instill fear in an act of Gang Stalking and demoralization, a communist tactic, with reckless disregard to kidnap and persecute, violating Public Law 101-2 and Public Law 101-7 [LINK](#), and

FURTHER, the Respondents assume all liability in Respondents’ personal capacity in violation of all 30 Articles of Public Laws-101, and

WHEREAS, the Tribunal agrees and finds the Respondents to be in collusion with New York's Fraternal Order of Police Foundation a civic, social, and religious corporation, operating within the metes and bounds of the States of The United States of America, with members receiving benefits in exchange for compliance, [LINK](#), supporting Communism and Slavery, thereby violating all Thirty (30) Articles of Public Law-101, and

WHEREAS, the Tribunal agrees and finds the National Fraternal Order of Police Foundation is hereby declared a criminal and terrorist organizations [LINK](#) breaching the public trust, compelling dishonor, creating obligations, and operating illegally within the metes and bounds and seaward boundaries of The United States of America, and

WHEREAS, the Tribunal agrees and finds the Respondents guilty of acts of terrorism by aiding and abetting the communist agenda [LINK](#), therefore violating all Thirty (30) Articles of Public Laws-101, for discriminating and participating in a conspiracy to create fear and disarray among the population through communist propaganda for the purpose of depriving the civilian inhabitant populace of basic human rights including private property rights, and

WHEREAS, the Tribunal finds that the Respondents have actively participated in a conspiracy to create fear among the Claimant and Claimant's family, forcibly confiscating property, using the well-known communist tactic of Infiltration to achieve the Communist Revolution as outlined in The Tactics of Communism, p.4, Q.5, & p.5, Q.8 [LINK](#), and

WHEREAS, Respondents' create an environment of fear, with threats to confiscate property, and prosecution, foster acts of Extortion, pain compliance, and persecution trafficking the victim's person by and through the New York Stock Exchange/SEC in violation of International law for private gain, and

WHEREAS, the Tribunal finds Respondents' illegal confiscation and/or destruction of property to be acts of Theft and or Destruction of Property, and
