By the power and authority vested in the office of the Governor for the Government of The United States of America and the Head of State of The United States of America, the following is hereby ordered on this 5th day of April, 2018, and takes effect immediately upon publication of record, and

- 1: **IT IS ORDERED**, that the Village of Deerfield Board of Trustees are trained and educated on the fact that the use of the words “Assault Weapons” is a misnomer and does not exist, and
- 2: **IT IS ORDERED**, that the ordinance within the publication refers to something that does not exist and therefore any fine or punishment are human rights violations mainly the right to own private property, and
- 3: **IT IS ORDERED**, that if the aforementioned ordinance remains in effect thereby claiming home rule authority by the Village of Deerfield Board of Trustees, and enforced against its residents, that the Board of Trustees have declared themselves incompetent and removed from office immediately wherein new elections are held within six months.

Executive Order Warranted

This Executive Order is warranted due to the fact that no popular vote was held to give up private property rights by the people and therefore the arbitrary passing of the aforementioned ordinance created a dictatorship by the Village of Deerfield Board of Trustees in violation of all human rights written and in existence, and

IT IS ORDERED, on this 5th day of April, 2018, by the office of the Governor for the Government of The United States of America and Head of State of The United States of America,

John Harold Fulks –
