ENACTMENT CLAUSE OF THE REIGN OF THE HEAVENS AND THE UNITED STATES OF AMERICA, THE CONFEDERACY OF 1781 TO PRESENT TIME as amended on 01-24-2023

Upon a current convention of the assembly of Affirmed American Nationals are convened.

Retroactive active to all previous acts nunc pro tunc.

Minutes:

It is hereby proposed to the assembly by at least two members of the assembly to amend the 'Enactment clause to the General Provisions of the Articles of Confederation, as amended this 311th day in the year of Yahweh, six thousand and twenty four, and the 24th day of January two thousand and twenty third year of the new covenant in Yahushua's name, wherein it does read:

Enactment clause: Under the authority and command of יהושה, it is hereby petitioned that all deceptions are legislated out of existence by the National assembly of American Nationals, in social compact, and all Acts petitioned, accepted, and acknowledged by the current United States, in Congress assembled in the same light.

The petition is hereby ordained in His name יהוה through His Son in the light of the Set-apart Spirit to accept His condemnation to end the deception of who we are, our rebellion, and our rejection so the suffering of eternal ruin among the people is eliminated to clear the path of the narrow way to salvation.

To perpetuate the salvation process of exposing the evil or deception within; the petition is hereby brought before the Public that cannot be settled internally, and to warn others of the delusions of the heart as we repent of our delusions and deceptions towards others, the National assembly of American Nationals hereby enact the following under the authority and in the name of יהושה:

The reason for the delay of an enactment clause is because the structure of the two entities had to complete the claim process to settle both Nations and have uniform cooperation without conflict. Both Governments have been settled as follows:

- 1: The reign of the heavens is the World Government with Supranational status.
- 2: The United States of America is within the reign of the heavens World Government Sphere and is bound to uphold Nation building and independence.
- 3: From within The United States of America within its metes and bounds shall be townships, equal and separate body politics as was intended by the Northwest Ordinance.
- 4: This structure allows the townships to be formed into sovereign nations so that they are not formed as state within States. Nations within states are in accordance with the Law of Nations.
- 5: Each township has the right either to recognize or not recognize anything that is enacted by either the United States, in Congress assembled or the Congress of the reign of the heavens and vice versa. All laws enacted shall be only by petition of the affirmed or people under oath with allegiance to their township, The United States of America, the reign of the heavens or one of the three independently.

INTENT: The structure is all based on a level of education and maturity, the more qualified and mature, the people can move from one entity to another which gives the educated and mature a dignified place with minimal stress to their conscience to serve the next generation.

By the authority of the assembly of affirmed American Nationals under the authority and in the name of **יְהוָה**, the reign of the heavens World Government, and all Acts signed by the current United States, in Congress assembled are recognized by the assemblies in the various townships, on the 24th day of January, 2023,
