## JUDGMENT

Comes now, a Judgment and Order from **The Human Rights Tribunal International**,

WHEREAS, the claimant has claimed within the evidence submitted to this tribunal based on a True Bill of Indictment as a second witness that the Respondents have and continue to commit violation of all of the Public Laws-101.

WHEREAS, the claimant has claimed multiple violations under the Law of Nations Book 1 Chapters XII and XIII.

- ❖ Perversion- a violation of Public Law 101-25-2, Public Law 101-26-2, Public Law 10126-3, Public Law 101-27-2, Public Law 101-29-1, Public Law 101-29-2, and Public Law 101-30
- ❖ Social Engineering- a violation of all Thirty (30) Articles of Public Laws 101 (War Crime)
- ❖ Violation of the Law of Nations Book 1 Chapter XII Of Piety and Religion §131. Public establishment of religion
- ❖ Indecent Exposure- a violation of Public Law 101-3, Public Law 101-5, and Public Law- 101-12
- ❖ Forced Association- a violation of Public Law 101-2

- ❖ Psychological Warfare- a violation of all Thirty (30) Articles of Public Laws 101 (War Crime)
- ❖ Communism/Political- a violation of all Thirty (30) Articles of Public Laws 101 (War Crime)
- ❖ Aiding and Abetting/ Accessory- a violation of Public Law 101-7
- ❖ Childhood Corruption- a violation of Public Law 101-1, Public Law 101-25-2, and Public Law 101-29-2

Whereas Aiding and abetting through accessory to minors the illicit and indecent activities for the effect of personal gain is extremely abusive to minors. Perversions for warping a child's development through indoctrination by merely walking in front of this storefront institution having scantily clad men in dance gear, prosthetic or augmented extensively enlarged breasts in order to appear as having a woman's body in sexually provocative and suggestive dancing for all to be acclimatized as normal behavior. These concepts are degenerate for that segment or group of people that want to have their own night club atmosphere with their perceived accepting clientele. This is not for families, children and any would be patron just passing by in the street, on the sidewalk and advertised as a family friendly atmosphere for entertainment and a meal. For these indecent acts while supplying food to the general public are not right moral nor are they family affirming by their very morally bankrupt nature. The act of men indecently behaving in front of children and other unsuspecting family members as the Respondents are clearly engaging in social engineering to the very block of the street that they currently possess. The old term was shame but the new term that these of a reprobate mind are attempting to install here is shameful and breaches the Public Laws-101. This work is organized not to sell food but to create shock value and instill a common acceptance of immoral activity of a demoralizing and lascivious nature all the while corrupting a child's world view of normal sexual relations between a man and a woman.

Whereas Respondents are not offering piety nor religious training but are in fact showing mere children, through self-declared statements, the content left only for young adults and adults engaging in sexually explicit activity. In the attempt to acclimatize the patronage of their eating establishment with childhood corruption by demanding a "drag queen stage name" be assigned to a young male child, the Respondents are guilty of indecent exposure and forced association.

Whereas the entire list of Respondents are guilty of participation in these same practices by association and are in clear full support of their activities to corrupt children in this public licensed "private venue" with full open glass walls viewable by any onlooker of minor age without any attempt to patron this corrupt establishment. By action this is not a private club and further is not operating within their purview of acceptable entertainment and the City of Milwaukee should revoke their adhesion of contract for public occupancy immediately or be summoned by this Court for another Human Rights Tribunal International suit for complicity by giving a portion of their city away to debauchery and the destruction of childhood innocence.

Whereas, the Respondents are also in violation of the Law of Nations Book 1 Chapter 13 of Justice and Polity § 158 stating operations of their restaurant is good for the public and a way for them to survive in commerce. Drugs and prostitution is also a way for some to survive but not a means to a lawful end.

Respondents are using their establishment for psychological warfare and communism by forcing their corrupted views upon the local community and expecting acceptance of their patrons or they use the non-tolerant argument for those that object. This is communism and psychological warfare at its simplest form. Threatening others through taunts of bigotry in order to accept your position because you have a few community backers for your way of life isn't choice and honor but communism.

## JUDGMENT SUMMARY

NOW THEREFORE:

BE IT JUDGED, that this suit is now found in favor of claimant for the failure of the Respondents to appear before this Court for full adjudication

FURTHER BE IT JUDGED, that the claims brought to the Human Rights Tribunal International gives witness to the existence of Human Rights Violations against the Universal Declaration of Human Rights and violations of all of Public Laws-101 and violations of the Law of Nations Book 1 chapters 12 and 13. The evidence substantiates that Respondents are not only in default of not appearing but also their activities are under judgment for their lack of care in their highly crucial roles as educators, leaders and administrators.

FURTHER BE IT JUDGED, that Respondents are operating in infiltration for the furtherance of creature state practices played out upon the people of the good State of Wisconsin and all the while masquerading their unqualified business and authority in the most inappropriate ways over children and their families. For these activities we send this recommendation to the War Crimes Tribunal for the adjudication of this capital crime

## Orders

BE IT ORDERED, that Respondents pay individually Twenty-two Million Five Hundred Thousand [U. S. Dollar equivalent in value] for their activities that have broken the true laws of this land. If there are no payments made for these damages then prosecution expects liens to prevail upon all Respondents in this default judgment.
